PREFACE

The present sixth edition of the Bombay Code is based on the last edition issued in the year 1938, with the addition of enactments made thereafter till the 1st July 1949. It contains, with some exceptions, the unrepealed Bombay Regulations, the local Acts of the Governor General in Council in force in the Province character :—

Act X of 1915 (Sir Jamsetjee Jeejeebhoy Baronetcy).

Bom. Act XXVII of 1939 (Sir Chinubhai Madhavlal

Act XXV of 1917 (Sir Currimbhoy Ebrahim Baronetcy Amendment).

Act XVIII of 1848 (Nawab of Surat).

Act VI of 1893 (Sir Dinshaw Manockjee Petit).

Act XIX of 1911 (Sir Cowasjee Jehangir Baronetcy).

Act IV of 1913 (Sir Currimbhoy Ebrahim Baronetcy).

Act II of 1915 (Sir Sassoon Jacob David Baronetcy).

Bom. Act VIII of 1924 (Sir Chinubhai Madhavlal

narrow limits and which were excluded from the last edition of the Code;

(*b*) the following Acts, which are of a purely personal of Bombay, the Acts passed by the Governor of Bombay in Council, the Bombay Legislative Council and the Bombay Legislature and the Regulations made by the Governor of Bombay under sub-

Ranchhodlal Baronetcy).

Bom. Act XVI of 1936 (Sir Chinubhai Madhavlal Ranchhodlal Baronetcy Amendment).

section (*2*) of section 92 of the Government of India Act, 1935.

2. The exceptions referred to above are:—

(*a*) certain enactments which are now only in force within

Ranchhodlal Baronetcy Amendment).

Bom. Act X of 1943 (Arnold Marriage Validating).

3. This edition of the Code consists of two volumes and, like the earlier editions, is divided into parts according to the class of enactments in each part. Volume I contains Part I, which reproduces unrepealed Bombay Regulations published in the last edition; Part II, which consists of unrepealed local Acts of the Governor General in Council now in force in the Province of Bombay; and Part III, which consists of the Acts passed by the

Governor of Bombay in Council. Volume II contains Part IV, which consists of the Acts passed by the Bombay Legislative Council; and Part V, which consists of the Acts passed by the Bombay Legislature. The Regulations made by the Governor of Bombay under sub-section (*2*) of section 92 of the Government of India Act, 1935, have been printed immediately after the Acts passed by the Bombay Legislature in that year.

4. All Acts are printed as modified up to the 1st July 1949. All Acts purely of an amending nature modifying the main Bombay Acts have been omitted except those which have modified the Central Acts. All changes necessitated by the India (Adaptation of Existing Indian Laws) Order, 1947, and the Indian Independence (Adaptation of Central Acts and Ordinances) Order, 1948, have been carried out.

5. In order to facilitate ready reference to all the changes carried out in any Act, a table has been inserted at the commencement of each Act setting out the numbers and years of all amending and repealing Acts and also the dates of publication in the Bombay Government Gazette of the assent to such Acts. A chronological table of the enactments contained in each volume is given in the beginning of the volume and an alphabetical index of the enactments is appended at the end. In addition, a general index of the subjects in the titles of the enactments has been appended at the end of the second volume.

6. A new feature of this edition is that it is issued in the style of the loose leaf binder. The reason for this innovation is that in practice it has been found difficult to maintain a corrected up-to-date copy of the Code for ready reference. The paging in both the volumes and of the volumes which will follow is continuous, and hereafter whenever any changes are made by reason of any repealing or amending enactment, it is proposed to issue replacement pages embodying such changes which should be inserted at the appropriate place. A separate loose leaf binder will also be issued for the third volume along with the first new enactment to be included in that volume. Subsequent new enactments should thereafter be included in that volume.
